This home offers a seamless connection between indoor and outdoor spaces, with an open-plan kitchen, dining, and living area serving as the central hub. The layout ensures a balance between shared spaces and private retreats, with well-placed bedrooms providing natural separation for privacy.

Distinctive curved walls in the entryway, living area, and ensuite add a unique architectural touch, creating a sense of movement and sophistication. The open-plan living area flows effortlessly outdoors into a vibrant oasis of lush planting and colors, perfect for relaxation and entertaining.

If you love the design of the house but want to change some aspects of the layout or specification, this can easily be done. Floor plans can also be mirrored to suit the building site.
